

FORT LAUDERDALE WOMAN'S CLUB

Be a Part of History

Order a Tribute Brick

The Fort Lauderdale Woman's Club asks for your support to create our dedication path in beautiful Stranahan Park, and preserve our community history.

Imagine a trail of happy wishes, remembrances of loved ones, names and dates commemorating special moments, all memorialized via Tribute Bricks in Stranahan Park, Broward County's only botanical garden, along our gazebo area surrounded by lush, meticulously tended gardens.

Dedicate a special brick to the person you love, a business you support, in honor of a family member, special dates like weddings, or just add a funny message from you for future generations to read.
